

HOUSE RULES

There are a number of house rules to make all classes and other activities in the dance studio as pleasant as possible. These rules apply to everyone who is in the dance studio.

- Show respect to other students, teachers and other visitors.
- Hands are disinfected upon entering and leaving our studio.
- The changing room is used for bags, clothing and shoes.
- Changing is done in the changing rooms.
- The changing room and toilet must be left clean after use.
- Valuables can be taken to the studio.
- Shoes that are worn outside are not allowed in the studio.
- Mobile phones must be switched off during classes.
- Chewing gum is not allowed during classes.
- Be on time. Being late is not only disruptive to class, but also dangerous for the muscles if they are not warmed up.
- If you are unable to come, please unsubscribe in time for the class.
- In case of illness or absence of a teacher, a replacement will be arranged. If this is not possible, ESPACIO FLAMENCO ENCUENTROS reserves the right to cancel the class.
- All students must adhere to the applicable dress code.
- Watch out for loose nails under your shoes! These damage the dance floor. Check yourself before class whether the nails are "smooth". If this is not the case, the shoes are not allowed in the dance studio. You can hit the nails back with a hammer or ask the shoemaker's. Cheap brands of shoes such as Gladys are not recommended, because the nails are often not properly fixed into the shoes.
- Bicycles may be placed to the left of the main entrance.
- There are a number of parking spaces in the private parking of ESPACIO FLAMENCO ENCUENTROS. It is allowed to park here.. At Lijmbeekstraat 157 there are several persons who have their businesses in the building. When parking your car make sure that you do not block any entrance and that other cars can enter or leave at all times. Make sure you park your car close tot he other cars. Take the entrances of other renters into account and make sure that parked cars can also leave the site at all times. You can also park in the surrounding streets in the neighborhood or in the parking lot of Jumbo supermarket (until 22:00 hours). Take each other and the neighborhood into account!
- As the dance studio is in a residential area, please keep in mind that you not make too much noise on the premises. So please keep the volume low outside before and after the classes!
- If you want to borrow a book / CD / DVD from the shelf, please inform the teacher and write your name on the loan form.
- In the hall is a closet with new and second-hand clothing and accessories for sale. Are you interested in something? Then ask the teacher.
